ASSIGNMENT OF PATENTS AND TRADEMARKS

WHEREAS, GEO Specialty Chemicals, Inc., an Ohio corporation having offices at 340 Mathers Rd., Ambler, PA 19002-3420 (hereinafter referred to as "Assignor"), is the record owner of the trademarks and registrations set forth in Schedule A attached hereto (hereinafter referred to as "Trademarks"), and is also the owner of the entire right, title and interest in the patents and applications set forth in Schedule B attached hereto including, without limitation, any reexaminations, reissues, continuations, continuations-in-part, and/or divisions thereof (hereinafter referred to as "Patents");

WHEREAS, Arkema Inc., a Pennsylvania corporation having offices at 2000 Market Street, Philadelphia, PA 19103-3222 (hereinafter referred to as the "Assignee"), is desirous of acquiring all right, title and interest in and to said Trademarks and said Patents, including any causes in action relating to said Trademarks and said Patents; and

WHEREAS, it is desired that the assignment of the said Trademarks and said Patents be made a matter of record in the patent and trademark registries of the countries specified in Schedules A and B attached hereto;

NOW, THEREFORE, for good and valuable consideration, the full receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Assignor hereby sells, assigns, transfers and conveys unto Assignee all of its right, title and interest, whether statutory or common law, in and to the said Trademarks and Patents, including, without limitation, (i) all pending applications for registration, if any; (ii) the goodwill represented by the said Trademarks and said Patents; (iii) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, and to any causes in action, claims for damages, profits and costs, both in equity and in law, relating to said Trademarks and said Patents and any patents issued in respect thereof; (iv) the right to sue, counterclaim, and recover for past, present, and future infringement of the rights assigned or to be assigned under this Agreement; and (v) all rights corresponding thereto, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment of Patents and Trademarks not been made.

Assignor further hereby covenants, agrees and undertakes to execute, whenever requested by Assignee, all applications, assignments, lawful oaths and any other papers which Assignee may deem necessary or desirable for securing to Assignee the rights granted hereunder or for maintaining for Assignee the said Trademarks and said Patents hereby assigned, all without further compensation to Assignor.
